

Course Name: Caratteri 汉子

Course Syllabus

I. COURSE DESCRIPTION

This course is designed for people who have good competence of Chinese speaking and listening, but know few Chinese characters (simplified). In this course, you will learn more Chinese characters based on what you have learned last semester. You will learn how to read and write Chinese characters using pen, not brush. Besides, you will also learn how to look into the Chinese dictionary. Based on the study of the characters, you will deepen your knowledge about grammatical aspects of Chinese language and about some aspects of the Chinese culture.

II. COURSE OBJECTIVES

At the end of the course the student should be able to:

- to master 400 Chinese characters;
- to know some elements of the Chinese culture starting from Chinese characters;
- to read some short passages;
- to know all the basic strokes in Chinese characters;
- to write characters correctly with pen.
